25X1      8. [ ] Advised by James Hyde, BOB,  
that with regard to our question concerning BOB approval of Agency  
reports on legislative proposals for the creation of a Freedom  
Commission, for the development of the science of counteraction  
to the world communist conspiracy and for the training and development  
of leaders in a total political war, that final determination has not  
been made. For publication, Mr. Hyde stated that the executive
